

One Day Food Handler Certification and Re-Certification Course and Exam Offerings in Indiana for 2012

As of January 1, 2005, Indiana requires that at least one person per food establishment, who oversees food safety operations, be a "Certified Food Handler", which means that a food service establishment must pass an accredited examination every five years. In order to help you meet this requirement, the Safe Food Handlers Corporation is offering a one-day course and a Prometric examination in convenient locations throughout the state of Indiana to enable you to acquire your 5 year certificate. Every five years, people must recertify by repeating this process of taking and passing another exam.

Comprehensive Food Service Sanitation Course Offerings

Our one day Comprehensive Food Service Sanitation course covers personal hygiene, safe methods of food handling, preparation & storage of food, prevention of foodborne illnesses, and HACCP. At the end of the day, a Prometric examination will be administered to enable you to obtain a 5-year certificate. The cost of the one-day course is **\$140** which includes a training manual, classroom instruction, and a Prometric Exam which is recognized nationwide. Examinations are available in English, Spanish, Chinese, Korean, or Vietnamese. **Students who do not show up for a scheduled class or call to reschedule prior to class will be charged \$35 for the book and s/h fees.**

On-Line Course

The same quality food safety training is available on-line in both English or Spanish. All that is required is an internet connection. Students must still come in to one of our convenient locations to take the Prometric examination after successfully completing this course. The cost of the on-line course and examination is **\$175** which must be pre-paid. HAACP training also available.

On-site Training
