

Presents the one-day Comprehensive Food Service Sanitation Course in Missouri for 2012

Our one-day Comprehensive Food Manager Certification Course, and our on-line course meets the requirements of the City of St. Louis, St. Charles County, and all of the St. Louis County Health Departments. Classes are available at convenient times and locations to accommodate your schedule. The Safe Food Handlers Corporation has trained thousands of food service professionals in over 30,000 companies in food service sanitation nationwide since 1982.

Comprehensive Food Service Sanitation Course Offerings

Our one-day Comprehensive Food Manager Certification courses covers personal hygiene, safe methods of food handling, preparation & storage of food, prevention of food borne illnesses and HACCP. Upon successful completion of this course, a test will be given to enable you to obtain a 5 year certificate. The cost of the one-day course is **\$140**. Due to St. Louis County adopting the new 2005 FDA food code, there will be no re-certifications. Students must retake the food manager certification examination every five years. Please visit our website at www.sfhcorp.com if you wish to register on-line. **We only use Conference for Food Protection Examinations that are approved nationwide and are available in the following languages (Chinese, English, Korean, Spanish or Vietnamese).**

On-Line Course

The same quality food manager certification training is available on-line. All that is needed is access to the internet. Students must still come in to one of our convenient locations to take the examination after successfully completing this course. The cost of the on-line course and exam is **\$175** pre-paid. Call us today at toll free 1-888-793-5136 for details!

Special Classes

Special classes can be set up for 10 or more people and taught at your location. Call for details!

On-line HACCP Course

This course was developed in conjunction with NSF International and Thompson Prometric uses both nationally and internationally accepted HACCP standards. This program prepares staff with the information needed to effectively participate in the organization, development, implementation and management of a successful HACCP plan. The cost is **\$199**.

**Need a class taught at your site for 7 or more employees?
Give us a call at 888-793-5136**
